Schools and the D.E.O. was requested to submit the names of the Schools selected by them to Govt with a Statement showing the actual cost required in each case.

2 The D.E.O. now proposes to establish such gardens in connection with the 11 Schools mentioned at a cost of 1186. Out of these 11 Schools 9 are Taluk Schools and two are High Schools viz those at Tumkur and Chickballapur, the two best High Schools in the State But the Govt order authorizes the establishment of such farms only in Taluk Schools

orders undersigned

Dgl has included two High Schools in the list. If no doubt may be entertained. In the circumstances, I pass a petition from the inhabitants of Dodda Ballapur. It is being sent to the Dgl for report with certain observations. If as the result of that correspondence the opening of an agricultural farm in connection with the Dodda Ballapur School should hereafter be decided upon a small provision therefor may be made in the next year's Budget. OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 8800/547

Bangalore 1st April 1905

From

H J BHABHA Esq In c
Inspector General of Education in Mysore

To

B K Venkatavaradrayar Esq,
Secretary to the Govt of H H,
the Maharaja of Mysore,
General & Revenue Depts,
Bangalore

SIR,

With reference to Government Order No H 3513-23 dated the 28th June 1904 concerning proposals for establishing a few demonstration gardens and farms in connection with Schools, I have the honour to inform you that at the recent Departmental Educational Conference I consulted the Deputy Inspectors and some Head Masters of High Schools as to the practicability of starting a few of these farms and gardens at once with the help of existing teachers and I have selected as recommended by them, Gowribidnur in the Kolar District, Chiknaik Kanhalli, Sira and Koratagere in the Tumkur District, Nanjangud, Yedatore and Sosale in T Narsipur Taluk, Mangala and Kuderu in the Chamrajnagar Taluk as places in which demonstration farms may be established in connection with the

Government Schools The Head Masters of these Schools are intelligent men and have some acquaintance with Agriculture and there is also land required for farming purposes available either in the Compound or in the close vicinity of the Schools The High Schools at Tumkur and Chikmagalur have extensive compounds affording facilities for the establishment and maintenance of School gardens The Head Masters of these two High Schools have undertaken to commence operations at once if the necessary funds are supplied

2. The initial outlay of the 11 School farms or gardens is estimated at Rs 1186. Each of the school farms requires Rs 100 for initial expenditure except the farm at Tumkur which requires 186 Rs inclusive of Rs 100 for a water pump The details of expenditure will be furnished later on

3 A lump sum provision of Rs 1200 is made in the current year's Budget for "teaching the elements of practical Agriculture in a few Selected Taluk Schools" under 111 Technical Schools – 18 D – (4) Government Schools – Special I request that Government may be pleased to sanction the above charges out of this provision The favour of early orders is requested.

4 When once these farms and gardens are started equipped with necessary implements and funds for expenses

connected with the preliminary operations of fencing, levelling &c, the Head Masters under whose supervision they will be placed will be expected to carry them on economically without further aid from Government as far as possible.

I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha
Ag Director General.
